Summary

I am a 19 years old Software Engineer and strong focus on frontend of web development, highly skilled in working with programming tools like React js, Next js, Typescript. I work more on ensuring the speed of the application, SEO of the site, the perfection of the user interface, and the writing of clean code.

Experience

Freelance project | Frontend quiz app   *Tashkent, Uzbekistan*
Frontend developer   *dec 2024 - dec 2024*

- I developed a **Frontend quiz app** to help students who are studying Frontend to test their knowledge of IT
- The teacher had a problem with testing students' knowledge, and I solved it with this program.
- As a result, this program optimized their curriculum, reducing their time by several times.
- I used HTML, CSS, Javascript, React js, Tailwind css, Rest APIs to create this application

Own project | Next js Blog website   *Tashkent, Uzbekistan*
Frontend developer   *feb 2025 - feb 2025*

- I developed the **Next Blog** application to keep up to date with the latest news on Next js documentation.
- I create this application using with Reactjs, Typescript, Nextjs, Hygrapgh, MUI and Grapghql

Education

Tashkent State University of Economics   *Tashkent, Uzbekistan*
Economy by sectors and industries   *sep 2024 - may 2029*

- I am studying World Economics and Sectors and Industries in Economics at the University. My university is part-time and I study for 2 months a year. We participate in open classes, events, and laboratories in Economics at the university.

Najot Ta'lim   *Tashkent, Uzbekistan*
Frontend Standart   *sep 2024 - may 2025*

- I took lessons in web programming from professional teachers, and I learned all the necessary knowledge for Frontend engineering. We developed many projects with developers in this course and I improved my soft skills and hard skills.

Achievements

Republican Finalist in Mathematics.   *feb 2023 | Tashkent, Uzbekistan*

- I was in the top 10 out of over 1,000 participants at the 2023 PDP Republican Mathematics Science Olympiad.

Highest score on the university entrance exam.   *aug 2024 | Tashkent, Uzbekistan*

- In 2024, I came in 2nd among more than 3,000 students at Tashkent State University of Economics and scored 170 out of 189 points on the DTM test. Currently, I am a 1st year student at this university.
